WEAR ME SHARE ME USB WRISTBAND

The Wear Me Share Me USB wristband lets you carry your message on you! Just un-click it from your wrist, plug it in and go! No internet connection required!

This wristband is a storage device that comes pre-loaded with information about VitaFit.Me. It can be plugged into any computer and accessed like any external hard drive on the computer. It will not leave any information on the computer utilizing the wristband.

This unique wristband is an extremely effective marketing tool when you want to share the VitaFit.Me message with your prospect. Once you plug it in, you'll be able to share every aspect of the VitaFit.Me solution. Flash videos are available building a dream, the business opportunity, the VitaFit.Me product and our online community. Just click on each section of the presentation to view a compelling movie and to get more detail about the topic. You'll be ready to share the VitaFit.Me story as soon as you get your hands on the Wear Me Share Me wristband. This great marketing promotional product is easily shared and will continuously bolster the VitaFit.Me brand identity at the same time!

It's updatable! You can keep your Flash presentations completely updated, update your own contact information, print marketing brochures, and have direct access to specialized website content.

There's never been a better follow-up tool. Just share it with your potential business partners and get back within 48 hours as a reason to follow up. You can purchase multiple wristbands and hand them out at any gatherings you attend. Give them to associates at business, community, sports or health and fitness events. These cool wristbands will generate a lot of interest and will help you maximize your business exposure with a minimal investment. It is easy to wear and a unique marketing tool compatible with all computers.

Bottom Line: The Wear Me, Share Me, USB Wristband is a USB flash drive and mass storage device that gives you multi-media information about the VitaFit.Me product and business opportunity. It's the best marketing and follow-up tool in the world.
